G&F Financial Group Launches Deposit Anywhere™

Burnaby, BC – G&F Financial Group, one of the 10 largest credit unions in BC, is excited to announce the launch of Deposit Anywhere, a function within the credit union’s mobile banking app that allows members to remotely deposit cheques via smartphone or tablet.

Deposit Anywhere is just as secure as physical cheque cashing, but is available from the comfort of one’s own home (or coffee shop, office, or even on the go). Members simply open G&F’s mobile app for Android or iPhone, tap ‘deposit’, select the account, and enter the amount, and take a picture of the front and back of the cheque. The funds will immediately appear in the account as if the member had visited a branch or ATM*.

“At G&F Financial Group, member convenience is always forefront, and we aim to make banking as easy as possible,” say Co-CEOs Bill Kiss and Jeff Shewfelt. “We know that convenience is very important to our members, and we are always looking for ways to improve our products and services. Deposit Anywhere helps members save time; on average, it takes less than a minute to deposit a cheque using G&F’s mobile app. We couldn’t be more excited about Deposit Anywhere, and look forward to continuing to provide convenient and above-and-beyond service and expert financial advice for all members.”

*As with other deposit methods, normal hold periods will apply.
